Your unique picnic day starts when Heli Canada Adventures' expert guides whisk you away from historic Revelstoke, British Columbia, in one of our versatile Bell helicopters. Within seconds, one of our experienced pilots will effortlessly gain speed and elevation, heading towards a picnic on mountain slopes that few people ever see up close. It's a whole new perspective: swaths of forest blend into lush wildflower meadows, while dark alpine tarns border startlingly white glaciers. You now know how it truly feels to be that eagle. This is the world of the famous BC Rockies, where we run our exclusive heli picnic, heli hiking, heli mountaineering and heli backpacking vacation adventures. This afternoon, our destination is a picnic spot on Mount Begbie or Mount English in Canada's Rockies, and our goal is fun, pure and simple.

Trip start dates: July 1st to October 31st.

When was the last time you did something for the pure fun of it? That's what you'll love about Heli Canada Adventures' heli picnics...they're 100 percent fun and adventure. Grab the family and join us on this unique family adventure that both parents and kids will remember forever.
