Featured Adventure Private Day Tours: Powder Ski Touring and Snowboarding

Just have a day to spare? Join us in the powder for a private day tour to experience all the excitement of luscious snow piled high in Rogers Pass — on your schedule. Our professional guides will choose just the right terrain to match your skill level and the time that you have available.

You don't even need any powder ski touring or snowboarding experience — just a moderate fitness level and a comfort level on both downhill and cross-country skis (or snowboards!). If you've never tried backcountry powder ski touring and snowboarding, this is the perfect introduction to the sport. Just be prepared: it can be addictive!

To book, just drop us a line at:
info@helicanada.com or 1-888-837-5417.

Happy New Year!

from Heli Canada Adventures!

Welcome to 2008: a brand new year, full of adventures just waiting to unfold for you and your family. It's our wish that the coming 12 months bring you everything that you could wish for . . . peace, happiness and,

of course, champagne powder snow and alpine meadows filled with wildflowers.

New Year . . . New (Better!) Family Pricing

If your family adds up to a group of four, do we have a deal for you. Actually, we have two deals: our Gold Star and Diamond Cut price packages. And even better, your family group can be any age and any combination of family members on either or both sides of the partnership: parents, kids, grandparents, parents-in-law — you add up to four, we give you the deal!

With Gold Star family pricing, just choose a date and a trip from our website at helicanada.com and we'll do the rest. It's our job to make this pre-arranged adventure as affordable and accessible as possible — not to mention easy to organize (because we've already done the organizing!).

For Diamond Cut family pricing, we offer private guiding and customized adventures on the dates of your choice. You choose the adventures — mix and match to your heart's content, in fact — and we'll make sure that it comes together for you, handling every detail.

For more details on our new family pricing packages, just check out www.helicanada.com or call 1-888-837-5417.

About Heli Canada Adventures

HCA specializes in exclusive, small group heli adventures. Our winter adventures feature powder ski and snowboard touring, and heli snowshoeing — and we also team up with two high-quality partner companies to offer heli skiing and heli snowboarding.

Our summer adventures range from heli picnics to heli backpacking, with heli hiking and heli mountaineering as our signature offerings.

We match each trip and group to your pace and expertise, making our adventures ideal for families, couples and single travelers. We also specialize in designing corporate, private and incentive heli adventures to fit your goals. From our base in Revelstoke, British Columbia, we provide unparalleled access to some of North America's most pristine mountain wilderness.

Showcase Your Talent With our new photo gallery!

We're adding a new section to our website later this month, and it's all about you — our photo gallery will feature images supplied by guests. For getting the ball (that is, the photo gallery) rolling, we'd very much like to thank return guests Ethel and Charlie, Vien and Michael, Lynn and Paul, Matt Shafto and of course our very own photographer Jim Maitre (check out his outstanding heli photography workshops for summer 2008!). You can see

from the photos that everyone had tons of fun — we would love to post other guest photos, too.

so just e-mail them in jpg format to info@helicanada.com and we'll put them up on the website for everyone to enjoy.

Where IS that Marketing Survey?

Okay, we kept promising you a survey so that you could have your say about where we're heading next — but we're taking a step back from it to make sure that we do it right (the real story is one of databases and scary techie terminology, but we'll spare you that). We'll keep you posted — but in the meantime, if there's anything that you'd like to suggest or change or see us do differently or offer new, our doors (and our e-mail) are always open: drop us a line at info@helicanada.com and we'll get right back to you.

Revelstoke Mountain Resort It's open!

We've been watching the activity on Mount Mackenzie for months now, and we're thrilled to announce that Canada's newest — and most awesome! — ski resort is now officially open in our own backyard. Plan your visit to experience North America's longest lift-serviced vertical descent, along with CAT skiing

and heli skiing that provides access to half a million acres of alpine terrain. Kamloops and Kelowna International Airports are just two hours away, making this new winter playground an easy getaway.

Did You Know?

The Selkirk Mountains near Revelstoke receive an average of 40 to 60 feet of snow every winter — come experience it for yourself!
