

HELI SNOWSHOEING

Are you ready for the ultimate heli adventure? Like a brilliant gemstone, our Diamond cut packages provide exclusive private guiding that's customized to your schedule, your dates and your adventure choices. We will tailor the package and price to your preference. This traditional form of winter travel is now more fun than ever. We add helicopter access to the very best snowshoeing areas, ensuring that you'll be snowshoeing in pristine wilderness within minutes of leaving historic Revelstoke. Heli Canada Adventures invites you into the mystery that is the Canadian Rockies, to explore areas that, who knows, could have been travelled on in this very manner thousands of years ago! Our heli snowshoeing season runs from April 1 – May 30.

The beautiful Selkirk and Monashee mountain ranges around Revelstoke, British Columbia, will be the setting for this special heli snowshoe adventure. The Canadian Rockies offer winter at its most stunning: towering, snow-sculpted peaks; huge tracts of untouched powdery snow...this is backcountry wilderness that the caribou and the wolf call home, and we know it well. You'll have time to admire the views, identify animal tracks in the snow, and capture it all on camera .
